## **ABOUT NEW MOUNTAIN FINANCE CORPORATION**

New Mountain Finance Corporation (NASDAQ: NMFC) is a leading business development company (BDC) focused on providing direct lending solutions to U.S. middle market companies backed by top private equity sponsors. Our portfolio consists primarily of senior secured loans, and select junior capital positions, to growing businesses in defensive industries that offer attractive risk-adjusted returns. Our differentiated investment approach leverages the deep sector knowledge and operating resources of New Mountain Capital, a global investment firm with over \$55 billion of assets under management.

## **FORWARD-LOOKING STATEMENTS**

Statements included herein contain certain “forward-looking statements” within the meaning of the federal securities laws, including statements with regard to the Company’s Notes offering and the anticipated use of the net proceeds of the offering. Forward-looking statements can be identified by the use of forward looking words such as “outlook,” “believes,” “expects,” “potential,” “continues,” “may,” “will,” “should,” “seeks,” “approximately,” “predicts,” “intends,” “plans,” “estimates,” “anticipates” or negative versions of those words, other comparable words or other statements that do not relate to historical or factual matters. The forward-looking statements are based on our beliefs, assumptions and expectations of future events and our future performance, taking into account all information currently available to us. These statements are not guarantees of future events, performance, condition or results and involve a number of risks and uncertainties, including the factors set forth in “Risk Factors” and elsewhere in our annual report on Form 10-K, our quarterly reports on Form 10-Q, and our other filings with the SEC. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including, but not limited to, changes in the economy, financial and lending markets, and the geopolitical environment; changes in the markets in which we invest; changes in the interest rate environment and its impact on our business and portfolio companies; the impact of elevated levels of inflation and its impact on our portfolio companies and the industries in which we invest; future changes in laws or regulations (including the interpretation of these laws and regulations by regulatory authorities) and conditions in our operating areas, particularly with respect to business development companies or regulated investment companies; and other considerations that may be disclosed from time to time in our publicly disseminated documents and filings.

Any forward-looking statement speaks only as of the date on which it is made. New Mountain Finance Corporation undertakes no duty to update any forward-looking statements made herein, whether as a result of new information, future developments or otherwise, except as required by law.
