NEW MOUNTAIN FINANCE CORPORATION

September 30, 2026

Statement Provided Pursuant to Section 19(a) and Rule 19a-1 of the Investment Company Act of 1940, as amended (the "1940 Act")

On September 30, 2026, New Mountain Finance Corporation (NASDAQ: NMFC) paid a third quarter distribution of $0.25 per share. Based on earnings as of the distribution date, the distribution is estimated, on a per share basis, to consist of the following:

Source	Per Share Amount
Ordinary income	$0.20
Long-term capital gains	$0.00
Return of capital	$0.05
Total distribution	**$0.25**

Under U.S. tax rules applicable to NMFC, the amount and the final tax characterization of distributable income for each calendar year can be determined only at the end of NMFC's calendar year. This notice is not to be used for tax reporting purposes and is being provided only for informational purposes to comply with the requirements of Section 19(a) of the 1940 Act. The amounts and sources of distributions reported above are only estimates. The actual amounts and sources of the amounts for accounting and tax reporting purposes will be dependent upon NMFC's investment performance during the remainder of the calendar year as well as the applicable tax rules and regulations in effect at the end of the calendar year and as such, the final amounts may vary materially from the historical information used in providing the estimates herein. Tax characteristics of all distributions paid will be reported to stockholders on Form 1099 after the end of the calendar year.

You should not draw any conclusions in regards to NMFC's investment performance from the amount of the current distributions.

We value our shareholders and appreciate your support.

Sincerely,
New Mountain Finance Corporation Team
