4. Such other business as may properly come before the Annual Meeting will be transacted.

Voting Securities

Stockholders of NMFC may vote their shares, in person or by proxy, at the Annual Meeting only if such stockholders were stockholders of record at the close of business on March 21, 2013 (the "Record Date"). On the Record Date, there were 24,356,414 shares of the NMFC's common stock outstanding. Each share of NMFC's common stock is entitled to one vote.

Unit holders of NMF Holdings may vote their units in person or by proxy, at the Annual Meeting only if such unit holders were unit holders of record on the Record Date. On the Record Date, there were 40,578,352 units of NMF Holdings outstanding. Each unit of NMF Holdings is entitled to one vote.

Stockholders of AIV Holdings may vote their shares, in person or by proxy, at the Annual Meeting only if such stockholders were stockholders of record at the close of business on the Record Date. On the Record Date, there were 100 shares of AIV Holdings' common stock outstanding. Each share of AIV Holdings' common stock is entitled to one vote.

NMFC and AIV Holdings are holding companies with no direct operations of their own, and their only business and sole assets are their respective ownership of units of NMF Holdings. As of the Record Date, NMFC and AIV Holdings owned approximately 60.0% and 40.0%, respectively, of the outstanding units of NMF Holdings. Stockholders of NMFC and AIV Holdings will vote on matters relating to NMF Holdings on a pass-through basis.

Stockholders of NMFC and AIV Holdings may vote their proportionate share of NMF Holdings' units held by NMFC and AIV Holdings, respectively, on a pass-through basis, in person or by proxy, at the Annual Meeting only if such stockholders were stockholders of record on the Record Date. Each share of NMFC's common stock entitles the holder to vote one unit of NMF Holdings. On the Record Date, there were 100 shares of the AIV Holdings' common stock outstanding. Each share of AIV Holdings' common stock entitles the holder to vote 162,219.4 units of NMF Holdings.

Quorum Required

A quorum of NMFC's and AIV Holdings' stockholders, and NMF Holdings' unit holders must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of (i) the holders of a majority of the shares of NMFC common stock outstanding on the Record Date, (ii) the holders of a majority of the shares of AIV Holdings common stock outstanding on the Record Date, and (iii) the holders of a majority of the membership units of NMF Holdings outstanding on the Record Date, will constitute a quorum. Abstentions will be treated as Voting Securities present for quorum purposes. Broker Securities for which the nominee has not

[Table of Contents](#)

received voting instructions from the record holder and does not have discretionary authority to vote the Voting Securities on certain proposals (which are considered "Broker Non-Votes" with respect to such proposals) will be treated as Voting Securities present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders and unit holders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. A nominee for director shall be elected to the board of directors of each New Mountain Finance Entity if the votes cast for such nominee's election exceed the votes cast against such nominee's election. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. **Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.**

Additional Solicitation. If there are not enough votes to approve any proposals at the Annual Meeting, the stockholders and unit holders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against the proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Also, a vote may be taken on one or more of the proposals in this Joint Proxy Statement prior to any such adjournment if there are sufficient votes for approval thereof.

Information Regarding This Solicitation

The New Mountain Finance Entities will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Joint Proxy Statement, the accompanying Notices of Annual Meeting of Stockholders or Unit Holders and proxy card(s). We have requested that brokers, nominees, fiduciaries and other persons holding Voting Securities in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of the New Mountain Finance Entities, NMF Holdings' investment adviser, New Mountain Finance Advisers BDC, L.L.C. (the "Investment Adviser"), or the New Mountain Finance Entities' administrator, New Mountain Finance Administration, L.L.C. (the "Administrator"), without special compensation therefor.

Holders of Voting Securities may also provide their voting instructions by telephone or through the internet. These options require holders of Voting Securities to input the Control Number which is located on each proxy card. After inputting this number, holders of Voting Securities will be prompted to provide their voting instructions. Holders of Voting Securities will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or internet link. Holders of Voting Securities who vote via the internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a holder of Voting Securities wishes to participate in the Annual Meeting, but does not wish to give a proxy by telephone or electronically, the holder of Voting Securities may still submit the proxy card originally sent with this Joint Proxy Statement or attend in person.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder or unit holder in the same manner as the proxy being revoked and delivered to the New Mountain Finance Entities' proxy tabulator.

The principal business address of both the Investment Adviser and the Administrator is 787 Seventh Avenue, 48th Floor, New York, NY 10019.

Control Persons and Principal Stockholders

The following table sets forth information with respect to the beneficial ownership of NMFC's common stock, AIV Holdings' common stock and the units of NMF Holdings by:

- each person known to the New Mountain Finance Entities to beneficially own 5.0% or more of the outstanding shares of NMFC's common stock, AIV Holdings' common stock or units of NMF Holdings;
- each of NMFC's directors and each executive officer individually; and
- all of NMFC's directors and executive officers as a group.

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and includes voting or investment power (including the power to dispose) with respect to the securities and assumes no other purchases or sales of securities since the most recently available Securities and Exchange Commission ("SEC") filings. This assumption has been made under the rules and regulations of the SEC and does not reflect any knowledge that the New Mountain Finance Entities have with respect to the present intent of the beneficial owners of the securities listed in the table below.

Percentage of beneficial ownership below takes into account 24,356,414 shares of common stock of NMFC outstanding and 40,578,352 units of NMF Holdings outstanding, in each case as of the Record

Director Independence

In accordance with rules of the NYSE, the New Mountain Finance Entities' boards of directors annually determine each director's independence. We do not consider a director independent unless the boards of directors have determined that he has no material relationship with us. We monitor the relationships of our directors and officers through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

Our governance guidelines, which are available on the New Mountain Finance Entities' website at <http://www.newmountainfinance.com>, require any director who has previously been determined to be independent to inform the chairman of the boards of directors, the chairman of the nominating and corporate governance committees and the corporate secretary of any change in circumstance that may cause his status as an independent director to change. The boards of directors limit membership on the audit committees, the valuation committees, the nominating and corporate governance committees and the compensation committees to independent directors. In order to evaluate the materiality of any such relationship, the boards of directors use the definition of director independence set forth in the corporate governance listing standards promulgated by the NYSE.

The boards of directors have determined that each of the directors and the director nominees are independent and has no relationship with us, except as a director and stockholder of NMFC, with the exception of Steven B. Klinsky, as a result of his positions as founder and chief executive officer of New Mountain Capital, L.L.C., Robert A. Hamwee, as a result of his positions as chief executive officer and president of the New Mountain Finance Entities and Adam B. Weinstein, as a result of his

positions as chief administrative officer and executive vice president of the New Mountain Finance Entities.

Board Leadership Structure

The New Mountain Finance Entities' boards of directors monitor and perform an oversight role with respect to the New Mountain Finance Entities' businesses and affairs, compliance with regulatory requirements and the services, expenses and performance of service providers to the New Mountain Finance Entities. Among other things, the New Mountain Finance Entities' boards of directors approve the appointment of the Administrator and officers, review and monitor the services and activities performed by the Administrator and officers and approve the engagement, and review the performance of, the New Mountain Finance Entities' independent public accounting firm.

Under the New Mountain Finance Entities' bylaws, the New Mountain Finance Entities' boards of directors may designate a chairman to preside over the meetings of the boards of directors and meetings of the stockholders/unit holders and to perform such other duties as may be assigned to him by the boards of directors. The New Mountain Finance Entities do not have a fixed policy as to whether the chairman of the boards should be an independent director and believe that they should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of the New Mountain Finance Entities and their stockholders/unit holders at such times.

Mr. Klinsky currently serves as the chairman of the New Mountain Finance Entities' boards of directors. Mr. Klinsky is an "interested person" of the New Mountain Finance Entities as defined in Section 2(a)(19) of the 1940 Act because he is the Founder and Chief Executive Officer of New Mountain Capital, L.L.C., serves on the investment committee of the Investment Adviser and is the managing member of the sole member of the Investment Adviser. The New Mountain Finance Entities believe that Mr. Klinsky's history with New Mountain Capital, L.L.C., familiarity with our investment objectives and investment strategy, and extensive knowledge of the financial services industry and the investment valuation process in particular qualify him to serve as the chairman of the New Mountain Finance Entities' boards of directors. The New Mountain Finance Entities believe that, at present, they are best served through this leadership structure, as Mr. Klinsky's relationship with the Investment Adviser and New Mountain Capital, L.L.C., provides an effective bridge and encourages an open dialogue between the New Mountain Finance Entities' management and their boards of directors, ensuring that all groups act with a common purpose.

The New Mountain Finance Entities' boards of directors do not currently have a designated lead independent director. The New Mountain Finance Entities are aware of the potential conflicts that may arise when a non-independent director is chairman of the boards of directors, but believe these potential conflicts are offset by their strong corporate governance policies. The New Mountain Finance Entities' corporate governance policies include regular meetings of the independent directors in executive session without the presence of interested directors and management over which the Chairman of the Audit Committee presides, the establishment of audit and nominating and corporate governance committees comprised solely of independent directors and the appointment of a chief compliance officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering the New Mountain Finance Entities' compliance policies and procedures.

The New Mountain Finance Entities recognize that different board leadership structures are appropriate for companies in different situations. The New Mountain Finance Entities intend to re-examine their corporate governance policies on an ongoing basis to ensure that they continue to meet their needs.

Boards of Directors' Role In Risk Oversight

The New Mountain Finance Entities' boards of directors perform their risk oversight function primarily through (1) their four standing committees which report to the boards of directors, each of which are comprised solely of independent directors and (2) active monitoring by the New Mountain Finance Entities' chief compliance officer and their compliance policies and procedures. In addition, the New Mountain Finance Entities' boards of directors rely on the risk oversight function of NMF Holdings' board of directors.

The New Mountain Finance Entities' audit committees and nominating and corporate governance committees assist their boards of directors in fulfilling their risk oversight responsibilities. The audit committees' risk oversight responsibilities include overseeing the New Mountain Finance Entities' accounting and financial reporting processes, their systems of internal controls regarding finance and accounting, and audits of the New Mountain Entities' financial statements, including the independence of the New Mountain Finance Entities' independent auditors. The nominating and corporate governance committees' risk oversight responsibilities include selecting, researching and nominating directors for election by the New Mountain Finance Entities' stockholders/unit holders, developing and recommending to the boards of directors a set of corporate governance principles and overseeing the evaluation of the boards of directors and the New Mountain Finance Entities' management. The valuation committees are responsible for making recommendations in accordance with the valuation policies and procedures adopted by the boards of directors of the New Mountain Finance Entities, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of the boards of directors of the New Mountain Finance Entities, reporting any deficiencies or violations of such valuation policies to the boards of directors on at least a quarterly basis and reviewing other matters that the boards of directors or the valuation committees deem appropriate.

The New Mountain Finance Entities' boards of directors perform their risk oversight responsibilities with the assistance of the chief compliance officer. The boards of directors quarterly review a written report from the chief compliance officer discussing the adequacy and effectiveness of the New Mountain Finance Entities' compliance policies and procedures and their service providers. The chief compliance officer's quarterly report addresses at a minimum:

- the operation of the New Mountain Finance Entities' compliance policies and procedures and their service providers since the last report;
- any material changes to these policies and procedures since the last report;
- any recommendations for material changes to these policies and procedures as a result of the chief compliance officer's annual review; and
- any compliance matter that has occurred since the date of the last report about which the boards of directors would reasonably need to know to oversee the New Mountain Finance Entities' compliance activities and risks.

In addition, the chief compliance officer meets separately in executive session with the independent directors at least once each year.

The New Mountain Finance Entities believe that their boards of directors' role in risk oversight is effective, and appropriate given the extensive regulation to which they are subject as business development companies. The New Mountain Finance Entities are required to comply with certain regulatory requirements that control the levels of risk in the New Mountain Finance Entities' businesses and operations. Since NMFC and AIV Holdings have no assets other than their ownership of units of NMF Holdings and have no material long-term liabilities, NMFC and AIV Holdings look to the assets of NMF Holdings for purposes of satisfying these requirements. For example, the NMF

[Table of Contents](#)

Holdings' ability to incur indebtedness is limited because its asset coverage must equal at least 200.0% immediately after it incurs indebtedness, NMF Holdings generally has to invest at least 70.0% of its total assets in "qualifying assets" and is not generally permitted to invest in any portfolio company in which one of its affiliates currently has an investment.

The New Mountain Finance Entities recognize that different boards of director roles in risk oversight are appropriate for companies in different situations. The New Mountain Finance Entities intend to re-examine the manners in which the boards of directors administer their oversight function on an ongoing basis to ensure that they continue to meet the New Mountain Finance Entities' needs.

Committees of the Boards of Directors

The New Mountain Finance Entities' boards of directors have each established an audit committee, a nominating and corporate governance committee, a compensation committee and a valuation committee. The members of each committee have been appointed by the boards of directors of the New Mountain Finance Entities and serve until their successor is elected and qualifies, unless they are removed or resign. During 2012, the boards of directors of the New Mountain Finance Entities held eight boards of directors meetings, five audit committee meetings, five nominating and corporate governance committee meetings, two compensation committee meetings and eight valuation committee meetings. All directors attended at least 75.0% of the aggregate number of meetings of the boards of directors and of the respective committees of each of the New Mountain Finance Entities on which they serve. We require each director to make a diligent effort to attend all board and committee meetings as well as each annual meeting of the New Mountain Finance Entities' stockholders/unit holders.

Audit Committees

The audit committees operate pursuant to charters approved by the New Mountain Finance Entities' boards of directors, copies of which are available on the New Mountain Finance Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the audit committees. The audit committees are responsible for recommending the selection of, engagement of and discharge of the New Mountain Finance Entities' independent auditors, reviewing the plans, scope and results of the audit engagement with the independent auditors, approving professional services provided by the independent auditors (including compensation therefore), reviewing the independence of the independent auditors and reviewing the adequacy of the New Mountain Finance Entities' internal controls over financial reporting. The members of the audit committees are Alfred F. Hurley, Jr., David Ogens, David R. Malpass and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Finance Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Kurt J. Wolfgruber serves as the chairman of the audit committees, and the New Mountain Finance Entities' boards of directors have determined that Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber are "audit committee financial experts" as that term is defined under Item 407 of Regulation S-K, as promulgated under the Exchange Act, and that each of them meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Nominating and Corporate Governance Committees

The nominating and corporate governance committees operate pursuant to charters approved by the New Mountain Finance Entities' boards of directors, copies of which are available on the New Mountain Finance Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the nominating and corporate governance committees. The nominating and corporate governance committees are responsible for determining criteria for service on the boards of directors identifying, researching and nominating directors for election by the New Mountain Finance Entities'

stockholders/unit holders, selecting nominees to fill vacancies on the New Mountain Finance Entities' boards of directors or committees of the boards of directors, developing and recommending to the boards of directors a set of corporate governance principles and overseeing the self-evaluation of the boards of directors and their committees and evaluation of the New Mountain Finance Entities' management. The nominating and corporate governance committees consider nominees properly recommended by the New Mountain Finance Entities' stockholders/unit holders. The members of the nominating and corporate governance committees are Alfred F. Hurley, Jr., David Ogens, David R. Malpass and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Finance Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves as the chairman of the nominating and corporate governance committees.

The nominating and corporate governance committees seek candidates who possess the background, skills and expertise to make a significant contribution to the boards of directors, the New Mountain Finance Entities and their stockholders/unit holders. In considering possible candidates for election as a director, the nominating and corporate governance committees take into account, in addition to such other factors as they deem relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of the New Mountain Finance Entities;
- are able to work with the other members of the boards of directors and contribute to the success of the New Mountain Finance Entities;
- can represent the long-term interests of the New Mountain Finance Entities' stockholders/unit holders as a whole; and
- are selected such that the boards of directors represent a range of backgrounds and experience.

The nominating and corporate governance committees have not adopted formal policies with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nominating and corporate governance committees consider and discuss diversity, among other factors, with a view toward the needs of the boards of directors as a whole. The nominating and corporate governance committees generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the boards of directors, when identifying and recommending director nominees. The nominating and corporate governance committees believe that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the nominating and corporate governance committees' goal of creating boards of directors that best serve the needs of the New Mountain Finance Entities and the interest of their stockholders/unit holders.

Compensation Committees

The compensation committees operate pursuant to charters approved by the New Mountain Finance Entities' boards of directors, copies of which are available on the New Mountain Finance Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the compensation committees. The compensation committees are responsible for periodically reviewing director compensation and recommending any appropriate changes to the boards of directors. In addition, although the New Mountain Finance Entities do not directly compensate their executive

[Table of Contents](#)

officers currently, to the extent that it does so in the future, the compensation committees would also be responsible for reviewing and evaluating their compensation and making recommendations to the boards of directors regarding their compensation. Lastly, the compensation committees would produce a report on the New Mountain Finance Entities' executive compensation practices and policies for inclusion in our proxy statement if required by applicable proxy rules and regulations and, if applicable, make recommendations to the boards of directors on the New Mountain Finance Entities' executive compensation practices and policies. The compensation committees have the authority to engage compensation consultants, although they do not currently do so, and to delegate their duties and responsibilities to a member or to a subcommittee of the compensation committees. The compensation committees are composed of Alfred F. Hurley, Jr., David Ogens, David R. Malpass and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Finance Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves as chairman of the compensation committees.

Valuation Committees

The valuation committees operate pursuant to charters approved by the New Mountain Finance Entities' boards of directors, copies of which are available on the New Mountain Finance Entities' website at <http://www.newmountainfinance.com>. The charters set forth the responsibilities of the valuation committees. The valuation committees are responsible for making recommendations in accordance with the valuation policies and procedures adopted by the boards of directors of the New Mountain Finance Entities, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of the boards of directors of the New Mountain Finance Entities and reporting any deficiencies or violations of such valuation policies to the boards of directors on at least a quarterly basis, and reviewing other matters that the boards of directors or the valuation committees deem appropriate. The valuation committees are composed of Alfred F. Hurley, Jr., David Ogens, David R. Malpass and Kurt J. Wolfgruber, each of whom is not an interested person of the New Mountain Finance Entities for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. David Ogens serves as chairman of the valuation committees.

NMFC and NMF Holdings have entered into indemnification agreements with their respective directors. The indemnification agreements are intended to provide the directors the maximum indemnification permitted under Delaware law and the 1940 Act. Each indemnification agreement provides that NMFC or NMF Holdings, as applicable, shall indemnify the director who is a party to the agreement, or an Indemnitee, including the advancement of legal expenses, if, by reason of his corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any threatened, pending, or completed proceeding, to the maximum extent permitted by Delaware law and the 1940 Act. Any amounts owing by NMFC to any Indemnitee pursuant to the indemnification agreements will be payable by NMF Holdings.

Certain Relationships and Transactions

Together, NMFC and AIV Holdings own all the outstanding units of NMF Holdings. As of the Record Date, NMFC and AIV Holdings owned approximately 60.0% and 40.0%, respectively, of the units of NMF Holdings.

NMF Holdings has entered into an Investment Advisory and Management Agreement with the Investment Adviser. Pursuant to the Investment Advisory and Management Agreement, payments will be equal to (a) a base management fee of 1.75% of the value of NMF Holdings' gross assets and (b) an incentive fee based on NMF Holdings' performance. Steven B. Klinsky, through his financial interest in the Investment Adviser, is entitled to a portion of any profits earned by the Investment Adviser, which includes any fees payable to the Investment Adviser under the terms of the Investment Advisory and Management Agreement, less expenses incurred by the Investment Adviser in performing its services under the Investment Advisory and Management Agreement. In addition, the New Mountain Finance Entities' executive officers and directors, as well as the current or future members of the Investment Adviser, serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as the New Mountain Finance Entities do or of investment funds managed by the New Mountain Finance Entities' affiliates. Accordingly, they may have obligations to investors in those entities, the fulfillment of which might not be in the best interests of NMF Holdings, NMFC or NMFC's stockholders.

Although NMF Holdings is currently New Mountain Capital, L.L.C.'s only vehicle focused primarily on investing in first and second lien debt, unsecured notes and mezzanine securities, in the future, the principals of the Investment Adviser and/or New Mountain Capital, L.L.C. employees that provide services pursuant to the Investment Advisory and Management Agreement may manage other funds which may from time to time have overlapping investment objectives with NMF Holdings' and, accordingly, may invest in, whether principally or secondarily, asset classes similar to those targeted by NMF Holdings. If this occurs, the Investment Adviser may face conflicts of interest in allocating investment opportunities to NMF Holdings and such other funds. Although the investment professionals will endeavor to allocate investment opportunities in a fair and equitable manner, it is possible that NMF Holdings may not be given the opportunity to participate in certain investments made by investment funds managed by the Investment Adviser or persons affiliated with the Investment Adviser or that certain of these investment funds may be favored over NMF Holdings. When these investment professionals identify an investment, they will be forced to choose which investment fund should make the investment. Alternatively, depending on the availability of such investment and other appropriate factors, the Investment Adviser or its affiliates may determine that NMF Holdings should invest side-by-side with one or more other funds. Any such investments will be made only to the extent permitted by applicable law and interpretive positions of the SEC and its staff, and consistent with the Investment Adviser's allocation procedures.

The New Mountain Finance Entities have entered into an administration agreement, as amended and restated (the "Administration Agreement"), with the Administrator. The Administrator arranges office space for the New Mountain Finance Entities and provides office equipment and administrative services necessary to conduct their respective day-to-day operations pursuant to the Administration Agreement. NMF Holdings reimburses the Administrator for the allocable portion of overhead and other expenses incurred by it in performing its obligations to the New Mountain Finance Entities under the Administration Agreement, including rent, the fees and expenses associated with performing administrative, finance, and compliance functions, and the compensation of the New Mountain Finance Entities' chief financial officer and chief compliance officer and their respective staffs. Pursuant to the Administration Agreement, and further restricted by NMF Holdings, expenses payable to the Administrator by NMF Holdings as well as other direct and indirect expenses (excluding interest, other credit facility expenses, trading expenses and management and incentive fees) has been capped at \$3.5 million for the time period from April 1, 2012 to March 31, 2013.

The New Mountain Finance Entities, the Investment Adviser and the Administrator, have also entered into a Trademark License Agreement, as amended, with New Mountain Capital, L.L.C., pursuant to which New Mountain Capital, L.L.C. has agreed to grant each of the New Mountain Finance Entities, the Investment Adviser and the Administrator, a non-exclusive, royalty-free license to use the New Mountain and the New Mountain Finance names. Under the Trademark License Agreement, as amended, subject to certain conditions, NMFC, NMF Holdings, AIV Holdings, the Investment Adviser and the Administrator, will have a right to use the New Mountain and the New Mountain Finance names, for so long as the Investment Adviser or one of its affiliates remains the investment adviser of NMF Holdings. Other than with respect to this limited license, NMFC, NMF Holdings, AIV Holdings, the Investment Adviser and the Administrator, will have no legal right to the New Mountain and the New Mountain Finance names.

NMFC and AIV Holdings have entered into joinder agreements with respect to the Amended and Restated Limited Liability Company Agreement, as amended, of NMF Holdings pursuant to which NMFC and AIV Holdings were admitted as members of the NMF Holdings. Concurrently with the closing of NMFC's initial public offering, NMFC sold 2,172,000 shares of its common stock to certain executives and employees of, and other individuals affiliated with, New Mountain Capital, L.L.C. in a separate private placement at the initial public offering price per share.

NMFC entered into a Registration Rights Agreement with AIV Holdings, Steven B. Klinsky (the Chairman of our boards of directors), an entity related to Steven B. Klinsky and the Investment Adviser. Subject to several exceptions, AIV Holdings and the Investment Adviser have the right to require NMFC to register for public resale under the Securities Act of 1933, as amended, all registerable securities that are held by any of them and that they request to be registered. Registerable securities subject to the Registration Rights Agreement are shares of NMFC's common stock issued or issuable in exchange for units and any other shares of NMFC's common stock held by AIV Holdings, the Investment Adviser and any of their transferees. The rights under the Registration Rights Agreement can be conditionally exercised by AIV Holdings or the Investment Adviser, meaning that prior to the effectiveness of the registration statement related to the shares, AIV Holdings or the Investment Adviser can withdraw their request to have the shares registered. AIV Holdings and the Investment Adviser may each assign their rights to any person that acquires registerable securities subject to the Registration Rights Agreement and who agrees to be bound by the terms of the Registration Rights Agreement. Steven B. Klinsky (and a related entity) will have the right to "piggyback", or include his own registrable securities in such a registration.

Holders of registerable securities have "piggyback" registration rights, including AIV Holdings, which means that these holders may include their respective shares in any future registrations of NMFC's equity securities, whether or not that registration relates to a primary offering by NMFC or a secondary offering by or on behalf of any of NMFC's stockholders. AIV Holdings, the Investment

Adviser and Steven B. Klinsky (and a related entity) have priority over NMFC in any registration that is an underwritten offering.

AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) will be responsible for the expenses of any demand registration (including underwriters' discounts or commissions) and their pro-rata share of any "piggyback" registration. NMFC has agreed to indemnify AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) with respect to liabilities resulting from untrue statements or omissions in any registration statement filed pursuant to the Registration Rights Agreement, other than untrue statements or omissions resulting from information furnished to NMFC by such parties. AIV Holdings, the Investment Adviser and Steven B. Klinsky (and a related entity) have also agreed to indemnify NMFC with respect to liabilities resulting from untrue statements or omissions furnished by them to NMFC relating to them in any registration statement.

In the ordinary course of business, NMF Holdings may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that NMF Holdings does not engage in any prohibited transactions with any persons affiliated with NMF Holdings, NMF Holdings has implemented certain policies and procedures whereby its executive officers screen each of its transactions for any possible affiliations between the proposed portfolio investment, NMF Holdings, companies controlled by NMF Holdings and its employees and directors. NMF Holdings will not enter into any agreements unless and until it is satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, NMF Holdings has taken appropriate actions to seek board review and approval or exemptive relief for such transaction. NMF Holdings' board of directors reviews these procedures on a quarterly basis.

The New Mountain Finance Entities have each adopted a Code of Ethics which applies to, among others, their senior officers, including their respective chief executive officer and chief financial officer, as well as all of their officers, directors and employees. The New Mountain Finance Entities' Codes of Ethics require that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual's personal interests and the New Mountain Finance Entities' interests.

In October 2012, NMF Holdings entered into an agreement with North Sea Partners, L.P. ("North Sea") to assist in identifying counterparty investment opportunities for NMF Holdings. Mr. Daniel Hébert, a former director of NMF Holdings, is managing director of North Sea and has joint primary responsibility for carrying out and delivering such services to NMF Holdings on behalf of North Sea.

Board Consideration of the Investment Advisory and Management Agreement

NMF Holdings' board of directors determined at an in-person meeting held on February 23, 2012, to approve the Amended and Restated Investment Advisory and Management Agreement between NMF Holdings and the Investment Adviser. In its consideration of the approval of the Amended and Restated Investment Advisory and Management Agreement, the board of directors of NMF Holdings focused on information it had received relating to, among other things:

- the nature, quality and extent of the advisory and other services to be provided to NMF Holdings by the Investment Adviser;
- comparative data with respect to advisory fees or similar expenses paid by other business development companies with similar investment objectives;
- NMF Holdings' projected operating expenses and expense ratio compared to business development companies with similar investment objectives;
- any existing and potential sources of indirect income to the Investment Adviser or the Administrator from their relationships with NMF Holdings and the profitability of those

[Table of Contents](#)

relationships, including through the Amended and Restated Investment Advisory and Management Agreement and the Administration Agreement;

- information about the services to be performed and the personnel performing such services under the Amended and Restated Investment Advisory and Management Agreement;
- the organizational capability and financial condition of the Investment Adviser and its affiliates;
- the Investment Adviser's practices regarding the selection and compensation of brokers that may execute NMF Holdings' portfolio transactions and the brokers' provision of brokerage and research services to the Investment Adviser; and
- the possibility of obtaining similar services from other third party service providers or through an internally managed structure.

Based on the information reviewed and the discussions, the board of directors of NMF Holdings, including a majority of the non-interested directors, concluded that fees payable to the Investment Adviser pursuant to the Amended and Restated Investment Advisory and Management Agreement were reasonable in relation to the services to be provided. The board of directors of NMF Holdings did not assign relative weights to the above factors or the other factors considered by it. In addition, the board of directors of NMF Holdings did not reach any specific conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the board of directors of NMF Holdings may have given different weights to different factors.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the New Mountain Finance Entities' directors and executive officers, and any persons holding more than 10.0% of its common stock, are required to report their beneficial ownership and any changes therein to the SEC and the New Mountain Finance Entities. Specific due dates for those reports have been established, and the New Mountain Finance Entities are required to report herein any failure to file such reports by those due dates. Based solely upon review of Forms 3, 4 and 5 (and amendments thereto) furnished to the New Mountain Finance Entities during or in respect of the year ended December 31, 2012 and written representations from certain reporting persons, we believe that the following director of the New Mountain Finance Entities inadvertently failed to file on a timely basis certain reports required by Section 16(a) of the Exchange Act during the year ended December 31, 2012: Robert Hamwee. Mr. Hamwee filed one late Form 4 involving one transaction. We have no knowledge of a failure of Mr. Hamwee to file a report required under Section 16(a) of the Exchange Act. We believe that all other Section 16(a) filing requirements applicable to our directors, executive officers, and 10.0% or greater shareholders were satisfied in a timely manner during the year ended December 31, 2012.

Independent Registered Public Accounting Firm

The Audit Committees and the independent directors of the boards of directors of the New Mountain Finance Entities have selected Deloitte & Touche LLP to serve as the independent registered public accounting firm for the New Mountain Finance Entities for the fiscal year ending December 31, 2013.

Deloitte & Touche LLP has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the New Mountain Finance Entities or their affiliates. It is expected that a representative of Deloitte & Touche LLP will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

All Other Fees: Other fees would include fees for products and services other than the services reported above.

AUDIT COMMITTEES REPORT

The audit committees of the respective boards of directors operate under a written charter adopted by their respective boards of directors. The audit committees are currently composed of Messrs. Hurley, Malpass, Ogens and Wolfgruber.

Management is responsible for the New Mountain Finance Entities' internal controls and the financial reporting process. The New Mountain Finance Entities' independent registered public accounting firm is responsible for performing an independent audit of the New Mountain Finance Entities' financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The audit committees' responsibility is to monitor and oversee these processes. The audit committees are also directly responsible for the appointment, compensation and oversight of the New Mountain Finance Entities' independent registered public accounting firm.

Pre-Approval Policy

The audit committees have established a pre-approval policy that describes the permitted audit, audit-related, consulting services and other services to be provided by Deloitte & Touche LLP, the New Mountain Finance Entities' independent registered public accounting firm. The policy requires that the audit committees pre-approve the audit, non-audit and consulting services performed by the independent auditors in order to assure that the provision of such service does not impair the auditors' independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the audit committees for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the audit committees. However, the audit committees may delegate pre-approval authority to one or more of their members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committees at their next scheduled meeting. The audit committees do not delegate their responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The audit committees have reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the audit committees that the New Mountain Finance Entities' financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The audit committees have discussed with Deloitte & Touche LLP, the New Mountain Finance Entities' independent registered public accounting firm, matters required to be discussed by Statement of Auditing Standards No. 114 (The Auditor's Communication with those charged with Governance). The audit committees receive and review the written disclosures and the letter from the independent registered public accounting firm required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended by the Independence Standards Board, and has discussed with the auditors the auditors' independence. The audit committees have also considered the compatibility of non-audit services with the auditors' independence.

Conclusion

Based on the audit committees' discussions with management and the independent registered public accounting firm, the audit committees' review of the audited financial statements, the representations of management and the reports of the independent registered public accounting firm to the audit committees, the audit committees recommend that the boards of directors include the audited financial statements in the New Mountain Finance Entities' Joint Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the SEC. The audit committees also recommend the selection of Deloitte & Touche LLP to serve as the independent registered public accounting firm for the year ending December 31, 2013.
